HAPPY FATHER'S DAY

To all the dad's in the community!!

The Clubhouse will close at 1:00 pm on Sunday June 21 so that staff can spend time with their families.

HELP WANTED!!

Bloomfield Club is looking for help with grounds maintenance and general Club upkeep. We have a part time position open for a person to perform light maintenance and landscape care. Duties include weekly inspection of the grounds to determine which tasks need to be performed and if they can be handled in house or contract out. This person will learn the basics of our outdoor lighting, pond aerator, and irrigation systems to ensure that they are working properly and be able to perform light maintenance. Other tasks may include minor repairs and painting, regular clear out of the retention pond drain, and perennial plant care. This position is expected to require 1 day per week during the months of May through September and will report to the Club Administrator. Residents may apply.

HOUSEKEEPING NOTES:

Now that the pool is open, we are seeing much more trash in the patio area and around the Clubhouse grounds. PLEASE dispose of your trash in the cans that are around the patio area!! Additionally, the Club supplies, such as toilet paper, etc., are for CLUBHOUSE USE ONLY. The supplies are not for residents to take for their personal use, as has been the case recently. Please treat the Clubhouse respectfully and help keep the surrounding property cleaned up and maintained.

You're Invited!
